

This Year our

Church will be rocking with excitement! Our Maker Fun Factory will provide lots of fun and memorable Bible-learning activities for kids from 4 yrs to those entering 6th grade.

Each Morning

the kids will sing upbeat action songs, play cave games, eat yummy snacks, watch KidVid Cinema, experience Bible expeditions, and create amazing crafts to take home.

Children are Assigned

by ages. Our campers will be grouped "crews", led by an adult or teen-aged Crew

Leader who stays and participates with their crew the whole morning.

New this Year: Mission Possible

Campers entering 6th grade are invited to take part in Mission Possible, a week of fun, fellowship, and service where they participate in different missions in the Fanwood Scotch Plains area! They will travel off campus a few days during the week to participate in local mission work.

T-Shirt

Your child will receive a shirt to wear during the week when you check-in on the first day. Each crew will receive a different colored shirt so that they can easily tell which group they belong in.

Please indicate the size of shirt on the registration form. **All shirts will be ordered in children's sizes, unless indicated otherwise.**

Important to note:

Check-in will start at 8:45 a.m. on July 17th, in the Narthex of the Sanctuary. (Come in the front door of the church, facing Martine Avenue)

Drop Off

Parents, please drop off your child(ren) promptly, so that the program can start on time. If you feel that you need to stay close by or would like to chat with another parent, the narthex of the sanctuary is open for that purpose.

Mission Work

During the week all campers will be given a chance to help other children in need by bringing in donations of toys or school supplies to help orphans in the Dominican Republic. This is always a highlight for our children as it allows them to share the love of Jesus with others
